Re: Docket No. 18-2526-01 NOTICE OF LIFELINE RATE CHANGES for i-wireless LLC.

Recommendation (Acknowledge)

The Division of Public Utilities recommends the Utah Public Service Commission (Commission) acknowledge the proposed changes to i-wireless LLC's ("i-wireless") Lifeline offerings in the State of Utah.

Background

On December 10, 2020 i-wireless filed with the Commission notification of changes to its existing lifeline program. As contemplated by the order granting ETC status, i-wireless is filing the notification with the Commission of changes to its existing plan. The changes are in accordance to the Federal Communications Commission's minimum service standards. The Commission should acknowledge receipt of the notification and allow the effective date to be December 1, 2020.
