Re: *Manti Telephone Company's Proposed Tariff Revisions*; Docket No. 19-046-T02

Dear Ms. Slawson,

The Public Service Commission (PSC) has reviewed Manti Telephone Company's ("Manti") proposed revisions to Sheet Nos. 23.1, 23.2, and 23.3 of its P.S.C. Utah No. 4 Tariff ("Tariff"), transmitted on November 7, 2019. Manti proposes to reference federal and state statutes defining the Lifeline program to incorporate the changes implemented by the 2016 FCC Lifeline Modernization Order. Manti requests an effective date of December 1, 2019. The PSC also reviewed the comments of the Division of Public Utilities (DPU) filed on November 12, 2019. The DPU has no objection to the proposed revisions and recommends the PSC approve Manti's proposed revisions to the Tariff.

Based on its review of Manti's filing and the DPU's comments and recommendation, the PSC approves Manti's proposed revisions to its Tariff as filed, with an effective date of December 1, 2019.¹

Sincerely,

/s/ Gary L. Widerburg
PSC Secretary
DW#311027

¹ Going forward, the PSC reminds Manti (1) it should file tariff changes at least 30 days prior to the requested effective date as required by Utah Administrative Code (UAC) R746-405-1(C)(2); and (2) of the requirement to provide a statement that the proposed tariff sheet does not constitute a violation of state law or PSC rule per Utah Admin. Code R746-405-2(D)(3)(g). We conclude, without prejudice to dissimilar conclusions in future filings, that in this instance these deficiencies are not material enough to be a basis to suspend or deny the tariff.
