Re: CenturyLink Administrative Update  
Docket No. 19-049-09

Dear Mr. Widerburg:

CenturyLink files this letter in order to apprise the Commission of its work to resolve the dispute between the parties.<sup>1</sup> Prior counsel for CenturyLink (Torry Somers, Esq.) has left the company and we are working to put in place a new attorney to replace him.

CenturyLink has conducted work to cure any claimed NESC violations and has lifted its lines off Complainant's roof and is compliant with the NESC code (see attached of photo taken on 10-08-19).

Sincerely,

A handwritten signature in black ink that reads "Jennifer Somers".

Jennifer Somers

<sup>1</sup> To the extent leave is required to file this update, CenturyLink makes that request and suggests the updates are necessary to the record and the efficient adjudication of this Complaint.
