Re: *UBTA-UBET Communications, Inc.'s Proposed Tariff Revisions*; Docket No. 19-053-T02

Dear Ms. Slawson,

The Public Service Commission (PSC) has reviewed UBTA-UBET Communications, Inc.'s ("UBTA-UBET") proposed revisions to Sheet Nos. 75, 76, 77, and 78 of its P.S.C. Utah No. 1 Tariff ("Tariff"), transmitted on October 29, 2019. UBTA-UBET proposes to reference federal and state statutes defining the Lifeline program to incorporate the changes implemented by the 2016 FCC Lifeline Modernization Order. UBTA-UBET requests an effective date of December 1, 2019. The PSC also reviewed the comments of the Division of Public Utilities (DPU) filed on November 5, 2019. The DPU has no objection with the proposed revisions and recommends the PSC approve UBTA-UBET's proposed revisions to the Tariff.

Based on its review of UBTA-UBET's filing and the DPU's comments and recommendation, the PSC approves UBTA-UBET's proposed revisions to its Tariff as filed, with an effective date of December 1, 2019.¹

Sincerely,

/s/ Gary L. Widerburg

PSC Secretary

DW#311023

¹ Going forward, the PSC reminds UBTA-UBET of the requirement to provide a statement that the proposed tariff sheet does not constitute a violation of state law or PSC rule per Utah Admin. Code R746-405-2(D)(3)(g). We conclude, without prejudice to dissimilar conclusions in future filings, that in this instance this deficiency is not material enough to be a basis to suspend or deny the tariff.
