Re: Gunnison Telephone Company's Proposed Tariff Revisions; Docket No. 20-043-T01

Dear Mr. Holstun,

The Public Service Commission (PSC) has reviewed Gunnison Telephone Company's ("Gunnison") proposed revisions to Revised Sheet No. 95.6 of its Concurrences, Access Services, Gunnison Telephone Company, P.S.C. Utah No. 2 Tariff ("Tariff"), filed May 28, 2020. Gunnison explains the proposed rates reflect the final step down of intrastate access rates as prescribed by FCC rules and states the rates must be in effect by July 1, 2020. The PSC also reviewed the comments of the Division of Public Utilities (DPU) filed on June 5, 2020. The DPU recommends the PSC approve Gunnison's proposed revisions to its Local Switching-LTR intrastate access rates as presented in the filing.

Based on its review of Gunnison's filing and the DPU's comments and recommendation, the PSC approves Gunnison's proposed revisions to its Tariff as filed, effective July 1, 2020.

Sincerely,

/s/ Gary L. Widerburg

PSC Secretary
