RE: Level 3 Telecom of Utah, LLC
Kari's Law

Dear Commissioners:

Attached for your notification are the following revisions to the Level 3 Telecom of Utah, LLC Local Exchange Services Price List No. 2, submitted with a September 10, 2020 issue date and a September 17, 2020 effective date.

<u>Section</u>	<u>Page</u>	<u>Release</u>
Check Sheet 1	1	2
Check Sheet 2	2	2
Table of Contents	3	1
2	26	1
2	27.1	0
2	29	1

This filing adds language pursuant to 47 CFR §9.16(b)(1) and (2), pertaining to Kari's Law. Specifically, these revisions add language related to requirements that equipment manufactured after that date be configured to allow callers to dial "911" directly without first dialing an access code. Where applicable, features or calling options that allow configurations that require an access code before reaching the telephone company's network must not be configured as such for 911 calls. In addition, this filing also eliminates Check Sheet pages for simplification and consistency with CenturyLink's ILEC tariffs.

Respectfully submitted,

Marla Hazlett
