Re: *Notification of Name Change of Virgin Mobile USA, L.P. to Assurance Wireless USA, L.P.*; Docket No. 20-2521-01

Dear Ms. Browning,

On March 13, 2020, the Public Service Commission of Utah (PSC) received Sprint Corporation's filing notifying the PSC that its wireless subsidiary, Virgin Mobile USA, L.P., has changed its name to Assurance Wireless USA, L.P.

On April 3, 2020, the Division of Public Utilities (DPU) filed its recommendation that the PSC acknowledge the name change and requested that the docket be adjudicated informally, in accordance with R746-110-1, stating that there will likely be no objection or opposition to the filing submitted by the company. The DPU explained that the name change will not impact any customers in the state of Utah, and that the company will not change the services that it currently offers.

Based on the PSC's review of the filing and the DPU's response, the PSC acknowledges the company's name change from Virgin Mobile USA, L.P. to Assurance Wireless USA L.P., as described in the March 13, 2020 filing.

Sincerely,

/s/ Gary L. Widerburg

PSC Secretary
