¹ See FCC Order adopted November 16, 2020 (DA 20-1358), WC Docket Nos. 11-42, 09-197, 10-90. The Order waived the Lifeline minimum mobile broadband service standard to the extent it would require mobile carriers in the Lifeline program to offer more than 4.5 GB per month, but did not pause the scheduled phasedown of support for Lifeline voice service.
