Dear Commissioners:

Enclosed for electronic filing are the following revisions to the CenturyLink Communications, LLC d/b/a Lumen Technologies Group Interexchange Telecommunications Service Price List No. 1, submitted with an August 25, 2021 issue date and a proposed effective date of September 1, 2021:

<u>Section</u>	<u>Page</u>	<u>Release</u>	<u>Section</u>	<u>Page</u>	<u>Release</u>
4	40	3	104	19.2	3
4	66	3	104	31	3
4	77	4	104	36	2
4	98	3	104	37	2

This filing proposes various administrative changes for optional business calling plans. These revisions will standardize the manner in which monthly rates are presented in the company's tariffs, price lists and schedules. Specifically, when the interstate monthly charge for a calling plan is duplicated in the intrastate tariff and the intrastate rate does not apply in addition to the interstate monthly rate, the rate is deleted from this price list and replaced with a standard footnote explaining the application of the charge and referencing the interstate schedule in which the rate appears.

Varying versions of the standardized footnote proposed herein previously existed in some of the company's tariffs, price lists, or schedules for some calling plans. These revisions will standardize the language across all these calling plans to avoid confusion and improve uniformity. The intrastate per minute rates remain unchanged in this tariff.

Should you have questions or need additional information regarding this filing, please contact me at (303) 992-5838 or via email.

Sincerely,

*Marla Hazlett*
