Re: **Docket No. 21-2589-01**, In the Matter of the Application of Mobilitie Management, LLC, to cancel its Certificate of Public Convenience and Necessity to provide Local Exchange Services in the State of Utah.

Recommendation (Approve)

The Division of Public Utilities (“Division”) has reviewed the request by Mobilitie Management, LLC (“Mobilitie”) to have its Certificate of Public Convenience and Necessity (“CPCN”) to provide Local Exchange Services in the State of Utah cancelled and recommends the Public Service Commission (“Commission”) approve this request.

Discussion

On August 30, 2021, Mobilitie filed a request with the Commission to have its CPCN cancelled. The Division has reviewed this request and found the following:

Mobilitie does not have any customer base in the state of Utah and does not plan to offer any telecommunication services in the future. Because Mobilitie does not have customers, notice to

the customer is not required. Therefore, it has complied with the rules for exiting as required under Administrative Rule R746-350.
