Re: **Docket No: 22-2249-01:** In the Matter of the McLeodUSA Telecommunications Services, LLC d/b/a PAETEC Business Services' Notice of Name Change to McLeodUSA Telecommunications Services, LLC.

Recommendation (Acknowledge)

The Division of Public Utilities ("Division") recommends that the Public Service Commission ("Commission") acknowledge the requested name change from McLeodUSA Telecommunications Services, LLC d/b/a PAETEC Business Services ("McLeodUSA") to McLeodUSA Telecommunications Services, L.L.C.

The Division expects that, based on history that a filing of this type and with the information submitted by the company, there will be no objections or opposition to this recommendation. Therefore, the Division requests that this docket be adjudicated informally in accordance with R746-110-1.

Discussion

On or about July 05, 2022, McLeodUSA filed a letter with the Commission indicating their company will be changing their name to McLeodUSA Telecommunications Services, L.L.C.

The name change will not impact any customers in the state of Utah. Additionally, McLeodUSA will not change the services they offer. The Division recommends that the Commission acknowledge the request by McLeodUSA to change their corporate name and make the necessary changes and amendments to all the required documents.
