RE: A.L. 2025-T01
(UT2025-05)

Dear Commissioners:

Attached for your notification are the following revisions to the Qwest Corporation d/b/a CenturyLink QC Access Service Tariff, submitted with a June 6, 2025 issue date and a June 15, 2025 effective date. Attachment A includes a list of pages.

Effective June 15, 2025, CenturyLink will no longer provide adjusted rates for Shared Use arrangements. Shared Use, also called Ratcheting, occurs when Private Line/Business Data Services (BDS) and Switched Access are provided over the same DS1, DS3, or SST transport facility. Effective June 15, 2025, all Shared Use arrangements will be rated as Private Line, irrespective of the type of service carried on individual channels.

Should you have questions or need additional information regarding this filing, please contact me at (303) 992-5838 or via email.

Respectfully submitted,
