### SECTION 3 - DESCRIPTION OF SWITCHED SERVICES

3.3 Reserved for future use.

3.4 Outbound Services-Switched Access

3.4.1 MTS<sup>1</sup> (C)

(A) Business MTS<sup>1</sup> (C)

MTS is an intercity long distance Service available to Business Customers seven (7) days per week, twenty-four (24) hours per day, 365 days per year. With Business MTS, calls are originated from other than a public or semipublic coin telephone. The desired telephone number is dialed, the call is completed without the assistance of a live or automated operator, and the call is not billed to a number other than the originating number. Calls originate on switched facilities provided by LECs, CLECs or authorized access providers. Business MTS is available to Business Customers that presubscribe to the Company for long distance Service. If a Business Customer presubscribes to the Company for the provision of outbound long distance Service and does not select one of the Company's optional price plans, the Company will provision MTS Service on the Customer's initial order for Service.

Charges are usage sensitive and vary by day-of-week and time-of-day. Calls are billed in one (1) minute increments, with a minimum call duration of one (1) minute. Peak and off peak rates apply. The peak rate period is 8:00 a.m. to but not including 5:00 p.m., Monday through Friday. The off-peak rate period is all other times. The off-peak rates apply on the following holidays: New Year's Day, Independence Day, Labor Day, Thanksgiving Day, and Christmas Day. Calls billed under this Service offering will not qualify for promotional rates.

See Section 4.4.1 of this Tariff for applicable minimum usage charge and per-minute rates.

1 Effective December 15, 2025, Business MTS will no longer be available for purchase by new or existing customers. In addition, requests to move, add, change or renew existing service arrangements will not be accepted. Following the expiration of a customer's existing term agreement, service will be provided on a month-to-month basis at the applicable monthly rates until the service is discontinued. (N)

### SECTION 3 - DESCRIPTION OF SWITCHED SERVICES

#### 3.4 Outbound Services-Switched Access (continued)

##### 3.4.1 MTS (continued)

###### (B) Residential MTS<sup>1</sup>

(C)

MTS is an intercity long distance Service provided to Residential Customers seven (7) days per week, twenty-four (24) hours per day, 365 days per year. With MTS, calls are originated from other than a payphone. The desired telephone number is dialed, the call is completed without the assistance of a live or automated operator, and the call is not billed to a number other than the originating number. Calls originate on switched facilities provided by LECs, CLECs or authorized access providers.

Customers may subscribe to MTS service for the provisions of intraLATA only calling (local toll), interLATA only calling (interstate and intrastate), or intraLATA and interLATA calling combined.

If a Customer presubscribes to the Company for the provision of outbound long distance Service and does not select one of the Company's optional price plans, the Company will provision MTS Service on the Customer's initial order for Service. Calls are billed in one (1) minute increments, with minimum call duration of one (1) minute.

##### 3.4.2 Reserved for future use

<sup>1</sup> Effective December 15, 2025, Residential MTS will no longer be available for new Customers, and new orders for service will not be accepted. Existing Customers subscribing to this service can continue using their service and cancel at any time. However, changes to their service will not be allowed.

### SECTION 3 - DESCRIPTION OF SWITCHED SERVICES

#### 3.4 Outbound Services-Switched Access (continued)

##### 3.4.4 Business Outbound Services

For outbound Services provided via a Switched Access arrangement, Business Customers may subscribe to any of the Company's outbound Service offerings for the provision of (1) intrastate InterLATA and intrastate IntraLATA calling; (2) intrastate InterLATA calling only and select another company for the provision of the Customer's intrastate IntraLATA calling; or (3) intrastate IntraLATA calling only and select another company for the provision of the Customers's intrastate InterLATA calling.

##### (A) Business Default Plan for Hierarchical Billing -Switched<sup>1</sup> (C)

The Business Default Plan for Hierarchical Billing is a long distance Service available to Customers seven (7) days per week, twenty-four (24) hours per day, 365 days per year. With Business Default Plan for Hierarchical Billing, calls are originated from other than a public or semipublic coin telephone. The desired telephone number is dialed, the call is completed without assistance of a live or automated operator, and the call may not be billed to a number other than the originating number. Calls are originated on switched provided by LECs, CLECs, or authorized providers. This Service is available for Customers utilizing Switched Access to reach the long distance network.

Business Default Plan for Hierarchical Billing is available to Business Customers that presubscribe to the Company for long distance Service and subscribe to a Hierarchical Billing account, as defined in Section 1 of this Price List. If the Customer presubscribes to the Company for the provision of outbound long distance Service and requests a Hierarchical Billing account and does not select one of the Company's Business Optional Calling Plans, the Company will provision the Business Default Plan for Hierarchical Billing Service on the Customer's initial order for Service.

Charges are usage sensitive and vary by day-of-week and time-of-day. Calls are billed with a thirty (30) second initial period and six (6) second subsequent periods. Peak and off-peak rates apply. The peak rate period is 8:00 a.m. to but not including 5:00 p.m., Monday through Friday. The off-peak rate period is all other times. The off-peak rates apply on the following holidays: New Year's Day, Independence day, Labor day, Thanksgiving day, and Christmas day.

Calls billed under this Service offering will not qualify for promotional offerings.

1 Effective December 15, 2025, Business Default Plan for Hierarchical Billing will no longer be available for purchase by new or existing customers. In addition, requests to move, add, change or renew existing service arrangements will not be accepted. Following the expiration of a customer's existing term agreement, service will be provided on a month-to-month basis at the applicable monthly rates until the service is discontinued.

3.6 AT&T Long Distance Toll Free Services<sup>1</sup> (C)

3.6.1 General

- (A) This Service is a reverse billed Service that allows the Customer to pay for incoming calls. It permits calls to be completed to the Customer's location without charge to the calling party. Customers may subscribe to this Service with or without the ability to receive intrastate IntraLATA Service from the Company.
- (B) This Service includes a Number that can be selected by the Customer or randomly generated by the SMS/800 database; (2) an Area of Service selected by the Customer; and (3) various optional features.
- (C) The Company must be designated as the Resp. Org. of the TFS number.

1 Effective December 15, 2025, AT&T Long Distance Toll Free <sup>SM</sup> Services will no longer be available for purchase by new or existing customers. In addition, requests to move, add, change or renew existing service arrangements will not be accepted. Following the expiration of a customer's existing term agreement, service will be provided on a month-to-month basis at the applicable monthly rates until the service is discontinued. (N)  
(N)

SECTION 3 - DESCRIPTION OF SWITCHED SERVICES

3.7 Custom Business Services (continued)

3.7.1 Block of Time<sup>SM</sup> II Term Agreement Plans<sup>1</sup> (C)

- (A) Block of Time<sup>SM</sup> II Term Agreement Plans are outbound calling and optional inbound Switched TFS long distance calling plans. These plans are established at the BTN level. Aggregation of multiple BTNS is not available with this plan. If the Customer or Applicant selects a different long distance calling plan for specific WTNs the Customer is required to establish a separate BTN for each variation.
- (B) Unless otherwise specified in the rate options defined in Section 3.7.1 (I), Block of Time<sup>SM</sup> II Term Agreement Plans are available to new or existing Business Customers who:
  - .1 utilize Switched Access to reach the long distance network for outbound calling and/or to receive calls from the long distance network for TFS;
  - .2 subscribe to the Company for interLATA (interstate and intrastate) Service, intraLATA (local toll) Service, interLATA and intraLATA Service for outbound long distance calling, or subscribe to the Company's TFS for inbound long distance calling;
  - .3 commit to subscribe to a Block of Time<sup>SM</sup> II Term Agreement rate option for a one (1) or two (2) Year term agreement as defined in Section 3.7.1 (I).1 through Section 3.7.1 (I).11, of this Price List;
  - .4 specify at the time of ordering if the MOUs are to be used for outbound calling only, inbound TFS calling only or both outbound and inbound TFS calling; and
  - .5 request to be provisioned under this plan.
- (C) Customers may subscribe to a Block of Time<sup>SM</sup> II Term Agreement rate option for outbound Service only, inbound TFS Service only or for both outbound and inbound TFS. Where a Customer subscribes to TFS, inbound toll free calls may originate on any type of access and are terminated via Switched Access to the Customer's location. See the Company's Business and Residential Product Reference Pricing Guidebook at <https://att.com/servicepublications> Section 4 for the Switched AT&T Long Toll Free<sup>SM</sup> Service optional features, rules and regulations, and general information regarding TFS.
- (D) Each Block of Time<sup>SM</sup> II Term Agreement rate options provides the Customer a specific amount (block) of time for placing (1+) Direct-Dialed domestic outbound long distance calling, inbound switched TFS calling or for both (1+) Direct-Dialed domestic outbound calling and inbound switched TFS calling. All usage in excess of the selected block of time will be billed at a fixed rate per minute. Any minutes not used in a billing cycle will not be carried over to the next billing cycle. No credits will be given for any unused minutes.
- (E) Calls are billed in increments of one (1) second subject to a minimum connect time (initial period) of thirty (30) seconds.

1 Effective December 15, 2025, Business Block of Time<sup>SM</sup> 300, 750, 1500, 3000, 5000, 7500, 10000 II will no longer be available for purchase by new or existing customers. In addition, requests to move, add, change or renew existing service arrangements will not be accepted. Following the expiration of a customer's existing term agreement, service will be provided on a month-to-month basis at the applicable monthly rates until the service is discontinued. (N)

1 Effective July 12, 2016, 3-Year terms are no longer available. Existing Customers may continue with their current 3-year term until the term expires. Existing Customers at the end of their current 3-Year term may request to renew this plan for a 1-Year or 2-year term, or may continue to subscribe to this plan on a month-to-month basis at the then applicable out of term rates for this plan.

2 Effective December 15, 2025, AT&T High Volume Calling IV will no longer be available for purchase by new or existing customers. In addition, requests to move, add, change or renew existing service arrangements will not be accepted. Following the expiration of a customer's existing term agreement, service will be provided on a month-to-month basis at the applicable monthly rates until the service is discontinued.

SECTION 7 – SPECIAL SERVICE ARRANGEMENTS<sup>1</sup>

(C)

7.1 General

- 7.1.1 The Company may offer Services to Customers for terms and conditions and for rates and charges that differ from those stated in this Price List. Individual contracts will specify the applicable terms and conditions, rates and charges, and the length of the term plan agreement. Such terms and conditions and rates and charges will be available under contract to similarly situated Customers for a period of ninety (90) days following the effective date of the SSA of the initial Customer for whom the SSA was designed, unless otherwise specifically provided for in the SSA. Similarly situated Customers enrolling in a SSA must agree to service installation no more than ninety (90) days after contracting to receive services under a SSA.
- 7.1.2 Unless otherwise specified, the regulations for the special service arrangements are in addition to the applicable regulations specified in other sections of this Price List. Customer-specific service arrangements, which may include engineering, installation, construction, facilities, assembly, and/or other special services, may be furnished in addition to existing Price List offerings. Rates, terms, and conditions plus any additional regulations, if applicable, for the special service arrangements will be developed upon Customer's request.

<sup>1</sup> Effective December 15, 2025, Special Service Arrangements will no longer be available for purchase by new or existing customers. In addition, requests to move, add, change or renew existing service arrangements will not be accepted. Following the expiration of a customer's existing term agreement, service will be provided on a month-to-month basis at the applicable monthly rates until the service is discontinued.
