By The Commission:

PROCEDURAL HISTORY

CITIZENS TELECOMMUNICATIONS COMPANY OF UTAH and COMMSOUTH COMPANIES, INC., entered into an interconnection and/or resale agreement (hereafter "the Agreement") dated June 14, 2000. The parties filed the Agreement with the Commission June 29, 2000, for review and approval in accordance with 47 USC 229 § 252(e)(1), a part of the Federal Telecommunications Act of 1996 (hereafter "the Act"). The Administrative Law Judge, having reviewed said agreement and having been fully advised in the matter, now enters the following Report, containing proposed findings of fact, conclusions of law, and the Order based thereon.

FINDINGS OF FACT

- We find that the instant agreement does not discriminate against any telecommunication carrier not a party to it.
- The Agreement comports with the Act's § 251, and with currently effective Federal Communications Commission (FCC) regulations.
- The Agreement comports with applicable Utah law and this Commission's rules.
- The United States Congress and the Utah Legislature having established the fostering of competition in the telecommunications industry as sound public policy, the Agreement is in the public interest, since it comports with such policy.
- The Division of Public Utilities, Utah Department of Commerce, recommends approval of the agreement.

CONCLUSIONS OF LAW

The Agreement should be approved now as meeting the requirements of 47 USC § 252(e)(1).

- Any person aggrieved by this Order may petition the Commission for review within 20 days of the date of this Order. Failure so to do will forfeit the right to appeal to the Utah Supreme Court.
