DOCKET NO. 00-2351-01
AMENDED NOTICE

ISSUED: November 30, 2000

By The Commission:

Pursuant to §54-54-8-2.2 and §63-46b-3, U.C.A. 1953, as amended, an **Amended Notice**, vacating Notice issued November 29, 2000, to all Incumbent Local Exchange Carriers (ILECs), **is hereby given to the Incumbent Local Exchange Carrier (ILEC), Qwest Corporation**, that the above-captioned proceeding, representing an application to provide Competitive Local Exchange Carrier (CLEC) Service throughout the existing service territory of said ILEC, is pending before the Commission. In the interest of conserving the time and resources of the parties, absent specific request for hearing, the Commission proposes, pursuant to § 63-46b-4(3), on its own motion, to convert the matter to an informal proceeding and to grant said application summarily. Additionally, it appears that this Application is intimately associated with Applicant's acquisition of the assets of an existing CLEC in bankruptcy proceedings, and that there is a pressing deadline for such acquisition. Accordingly, we find good cause for shortening our normal response period. Therefore, **Qwest Corporation will take further notice** that unless a written request for hearing in the above-captioned matter is filed with the Commission **within TEN (10) DAYS** of the date of this Notice, the Commission will proceed as outlined above.

DATED at Salt Lake City, Utah, this 30th day of November, 2000.
