In the Matter of the Cancellation of the) DOCKET NO. 09-2257-01
Certificate of Public Convenience and)
Necessity for Trinsic Communications) ORDER TO SHOW CAUSE
)

ISSUED: February 12, 2009

By The Commission:

On January 28, 2009, the Division of Public Utilities (Division) filed a recommendation that the Public Service Commission (Commission) cancel the Certificate of Public Convenience and Necessity (Certificate) held by Trinsic Communications, Inc. (f.k.a. Z-Tel Communications, Inc.) (Company) for its failure to pay the Public Utilities Regulation Fee (PURF) for the 2007 year.

The Division recommended the Commission issue an Order to Show Cause to the Company, requiring it to show why it should not be fined and/or its Certificate suspended or revoked for failure to pay its PURF. In support of its recommendation, the Division stated as follows:

On January 11, 1999, Z-Tel Communications (now known as Trinsic Communications Inc.), was issued a Certificate of Public Convenience and Necessity by the Commission in Docket No. 98-2257-01. This authorized the Company to “provide specified public telecommunications services within a defined geographic service territory in the state.” On January 21, 2005, the Company name was changed from Z-Tel Communications, Inc. to Trinsic Communications Inc. in Docket No. 05-2257-01. In February 2007, the Company filed for Chapter 11 bankruptcy. The Commission approved of a Transfer of Assets and Control from the Company to Matrix Telecom, Inc. in Docket No. 07-2452-01 on May 8, 2007.

The Company has not paid its Public Utility Regulation Fee (PURF) assessment for year 2007. The Division mailed the PURF assessment to the Company on June 2, 2008. Payment was due on or before July 1, 2008. The Division sent a number of letters, emails and telephoned Ms. Linda Dellaero, the

listed contact for the Company, concerning their delinquency. No payment was received by the due date, so a reminder letter from the Attorney General was sent to the Company on September 9, 2008. The PURF assessment has still not been paid.

All letters and notices were mailed to the last known address that the Company provided to the Commission. These letters have not answered and/or returned without a forwarding address.

Utah Code Ann. Section 54-5-1.5(1)(a) provides “[a] special fee to defray the cost of regulation is imposed upon all public utilities subject to the jurisdiction of the Public Service Commission.” Section 54-5.1.5(3)(b) continues “[t]he fee is due and payable on or before July 1 of each year.” Finally, Section 54-5-3(2)(b) states the Public Service Commission “may immediately enter an order suspending the operating rights of the utility” if a utility defaults on payment of the PURF. Pursuant to Utah Code Ann. Section 54-7-25, the Commission may also impose a fine of up to \$2,000 per day.

Based on the allegations submitted by the Division in their recommendation, the Commission orders as follows:

ORDER

NOW, THEREFORE, IT IS HEREBY ORDERED, that:

The Company and its officers, shall, within thirty calendar days of this Order, show cause, if any it has, why the Company should not be fined, its Certificate of Public Convenience and Necessity cancelled, or other remedies imposed on the Company and its named officers for its failure to pay its PURF as mandated by state law.
