REPORT AND ORDER

ISSUED: January 4, 2000

SYNOPSIS

The parties to the agreement, which is the subject of this proceeding, having submitted the same for Commission Approval; and the agreement appearing to conform to the requirements of ' 252(e)(1) of the Federal Telecommunications Act of 1996 and applicable Federal Communications Commission regulations; and the agreement appearing to conform to applicable Utah law and Commission Regulations; and approval of the agreement appearing to be in the public interest, the Commission approved the agreement, subject to possible modification pending the outcomes in related dockets involving the same subject matter.

By The Commission:

PROCEDURAL HISTORY

U.S. WEST COMMUNICATIONS, INC., and NEW EDGE NETWORK, INC., dba NEW EDGE NETWORKS, entered into an interconnection and resale agreement (hereafter Athe Agreement@) dated October 6, 1999. The parties filed the Agreement with the Commission, October 8, 1999, for review and approval in accordance with 47 USC 229 '252(e)(1), a part of the Federal Telecommunications Act of 1996 (hereafter Athe Act@). The Administrative Law Judge, having reviewed said agreement and having been fully advised in the matter, now enters the following Report, containing proposed findings of fact, conclusions of law, and the Order based thereon.

FINDINGS OF FACT

1. We find the instant agreement does not discriminate against any telecommunication carrier not a party to it.
2. The Agreement comports with the Act's § 251, and with currently effective Federal Communications Commission (FCC) regulations.
3. The Agreement comports with applicable Utah law and this Commission's rules.
4. The United States Congress and the Utah Legislature having established the fostering of competition in the telecommunications industry as sound public policy, the Agreement is in the public interest, since it comports with such policy.
5. The Division of Public Utilities, Utah Department of Commerce, recommends
approval of the agreement, subject to possible later modification as set forth below.

CONCLUSIONS OF LAW

The Commission has pending Docket No. 96-049-15, a case in which the Commission began investigating U.S. West Communications, Inc.'s compliance with USC § 271. The Commission deems resolution of that issue unnecessary for approval of the instant agreement, subject to possible later modification based on such resolution. The Agreement should be approved now as meeting the requirements of 47 USC § 252(e)(1).

ORDER

NOW, THEREFORE, IT IS HEREBY ORDERED, that:

! The Interconnection agreement between U.S. WEST COMMUNICATIONS, INC., and NEW EDGE NETWORK, INC., dba NEW EDGE NETWORKS, dated October 6, 1999, be, and it hereby is, approved in conformance with 47 USC ' 252(e)(1), subject to possible subsequent Commission Order requiring modification.

! Any person aggrieved by this Order may petition the Commission for review within 20 days of the date of this Order. Failure so to do will forfeit the right to appeal to the Utah Supreme Court.

DATED at Salt Lake City, Utah, this 4th day of January, 2000.
