**RE:** In the Matter of the Investigation of the Water System Operations of Bridge Hollow Water Association for Certification as a Public Utility or Exemption as a Mutual Water Company, **Docket No. 04-2437-01**

**DATE REQUEST:**

On October 3, 2005 Mr. Lee Brown filed a data request (see attached) with the Public Service Commission in regards to the captioned matter. The Division of Public Utilities is writing to inquire when we will be receiving copies of the answers to all of those filed data requests. The Division feels five weeks is adequate time to respond. If further time is needed please request more time from the Commission, if not please submit your responses immediately to all parties.

Sincerely,
