PROCEDURAL HISTORY

On February 1, 2005, Petitioner, Wilkinson Water Company filed its Petition seeking a name change to Wilkinson Cottonwood Mutual Water Company and a Request for Rate Change. The matter was referred for review and recommendation to the Division of Public Utilities, Utah Department of Commerce (DPU), which filed its recommendations on March 29, 2005. At this time, the Public Service Commission is not prepared to make a decision about the Company's proposed rate change. A decision will be made in this matter when more information is received. Regarding the Request for Name Change, Since there appears to be no detriment to the public interest, and an evidentiary hearing on the matter would appear to be wholly superfluous, we have determined to dispose of the matter summarily. At this time, Accordingly we enter the following

NOW, THEREFORE, IT IS HEREBY ORDERED, that:

- The proposed name change is approved and that the records of the Commission be amended to reflect the holder of Certificate of Convenience and Necessity issued to Wilkinson Water Company, be, and it is, changed to Wilkinson Cottonwood Mutual Water Company.
- Any person aggrieved by this Order may petition the Commission for review within 20 days of the date of this Order. Failure to do so will forfeit the right to appeal to the Utah Supreme Court.
