**RE:** Dammeron Valley Water Works – Audit of Operations and Billing Practices; **Docket No. 07-2025-01**

The Division is still in the process of analyzing Dammeron Valley Water Works utilization and customer billings for years 2004, 2005 and 2006. In order to accurately answer the questions in the audit request, the Division respectfully requests an extension until September 7, 2007 to review and confirm our analysis. Thank you for your consideration.
