**ATTACHMENTS TO PUBLIC SERVICE COMMISSION APPLICATION
NORTH FORK WATER COMPANY**

Copies of the following documents are hereby submitted with the Application of North Fork Water Company:

A. Articles of Incorporation and Bylaws for the Company are attached hereto as Exhibit A.

B. Documents establishing proof of ownership of water rights, proof of ownership of sufficient water storage, proof of ownership of an approved water source with sufficient water flow, and evidence of an approved point of diversion are attached hereto as Exhibit B.

B-1. The water tank, pumps, lines and all other related and incidental apparatus (the "Waterworks Facilities") owned by the Company are located within the perpetual easements described in Exhibit B-1.

C. A map of the water system relative to nearby towns, highways, and the subdivision are attached hereto as Exhibit C.

C-1. A map depicting the Service Area is attached hereto as Exhibit C-1.

C-2. The legal description for the Service Area is attached hereto as Exhibit C-2. Attached as Exhibit E is a sketch depicting the approximate location of the Company's water tank to the Service Area and Exhibit F is a copy of the deed conveying the water rights owned by the Company and an Assignment of all other rights appurtenant to the Water Facilities and water rights.

D. A balance sheet for North Fork Water Company is attached hereto as Exhibit D.

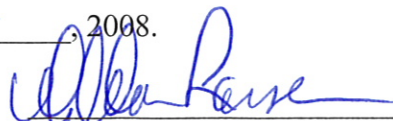

E. A tariff providing the proposed rates, service rules and regulations is attached hereto as Exhibit E.

E-1. Calculations of the tariff and the engineers estimate of costs is attached hereto as Exhibit E-1.

E-2. A statement that the proposed rates are less than the full cost of the service based upon subsidies by the developer is attached hereto as Exhibit E-2.

E-3. A balance sheet of the developer, Zion Mountain Resort, Inc.

Dated this 11 day of March, 2008.

Weldon Larsen, President
