SUBJECT: In the Matter of the Request of Pine Valley Irrigation Company, Inc. for Approval of a Rate Increase

RE: Docket No 09-2179-01

DATE: September 29, 2009

RECOMMENDATION: REQUEST A SCHEDULING CONFERENCE

The Division recommends the Commission schedule a conference with all parties to outline the calendar of due dates for this docket.

ISSUES:

On September 17, 2009, Pine Valley Irrigation Company ("Pine Valley") filed an application with the Commission asking for an increase in their tariff rates. The completion requirement of two hundred and forty (240) days will end May 15, 2010. The Division has sent a data request to Pine Valley for additional information to begin the analysis process and to determine what rates would be just and reasonable. At this time, the Division recommends calendaring a scheduling conference that will establish a schedule that can be followed by all parties in this Docket.
