

Request to Intervene In:
Rate Increase of Hidden Creek Water Company
DOCKET NO. 09-2440-01

April 19, 2010

Dear Judge Arredondo, Chairman Boyer and Commissioners Campbell & Allen,

My wife, Stacy Crosby, and I reside at 941 Hobble Creek Canyon, and have been users of Hidden Creek Water Company since May 2005. We depend upon the water for normal residential purposes. Recently we received notice of a rate increase that we feel is exorbitant and unnecessary.

We request that more investigative analysis be accomplished with regards to Hidden Creek Water Company's past agreements with property owners, bookkeeping and accounting practices and reasonableness of water service and payments to Hidden Creek owners before a rate increase is finalized.

We understand that there is a technical conference scheduled on April 22, 2010 to discuss the rate increase. Unfortunately, I will be unable to attend, as I have an international business trip that is scheduled on that same date. I am writing to request a postponement of that meeting. I would like to add to John Balian's and Brett G. Scharffs' request to reschedule the technical hearing sometime between May 11th -31st, to allow us proper representation at the hearing. I appreciate your consideration and help in this matter.

Sincerely,

A handwritten signature in black ink, appearing to read "Ray Crosby". The signature is fluid and cursive, with a large initial "R" and "C".

Ray Crosby
