Re: Extension of Rate Case Filing, Docket No. Filing Docket No. 11-097-03

Dear Commissioners,

At the status conference held on February 23, 2012, in the above-referenced docket, the Commission requested that counsel for Mountain Sewer Corporation (“Mountain Sewer”) notify the Commission of the date Mountain Sewer would be able to file the general rate case if it could not file the rate case by April 2, 2012. Pursuant to that request, Mountain Sewer states that the application for a general rate case will be filed by Friday, April 6, 2012. The application is completed, but has not been able to be reviewed by the client while Mr. Bowden has been out of town. Mountain Sewer needs until the end of the week to review and finalize the application.

Please feel free to contact me with any questions.

Yours truly,
SMITH HARTVIGSEN, PLLC
