Re: Docket No. 11-2423-02  
Scheduling Order Issued July 6, 2011

To The Commission:

In discussions with Patricia Schmid and the Division of Public Utilities relative to the Scheduling Order above referenced, it has been the conclusion of both the Division and myself, representing Cedar Ridge Distribution Company that the deadline specified in the Scheduling Order should be modified to accommodate discussions and information exchange between the Division and the Cedar Ridge Distribution Company. Specifically, we are discussing moving the dates for Division Recommendation Formal Recommendation from the stated October 3 to a later date subject to agreement between the Division and the company to finalize information transfers between the parties. Once an acceptable schedule is agreed to, I understand the Division will propose a new Scheduling Order to the Commission. Thank you for your accommodation.

Sincerely,

Parsons Behle & Latimer
