-== MEMORANDUM ==-

TO: Public Service Commission of Utah

FROM: Division of Public Utilities
Chris Parker, Director
William Duncan, Manager, Telecommunication & Water Section
Shauna Benvegnu-Springer, Utility Analyst

SUBJECT: In the Matter of the Application of Cedar Ridge Distribution Company for an Increase in Rates

RE: Docket No. 11-2423-02

DATE: November 17, 2011

AMENDED EXHIBITS:

The exhibits attached to the Division's Final Recommendation filed on Tuesday, November 15, 2011 in the above docket were updated, due to new information on the expenses. The Division's proposed adjustments to the expense column on Exhibit 2.2 were changed. Because of the immaterial amount of change, the adjustments did not change the calculation of the rates. Please remove all the exhibits attached to the memorandum of November 14, 2011 and replace Exhibits 2.1 through 2.9 with the attached revised exhibits.

The copies distributed at the hearing in Deweyville, Utah on November 16, 2011 had the amended and correct exhibits attached to the memorandum. The Division apologizes for the error and any confusion this may cause.
