OF WATERPRO INC. FOR A CULINARY  
WATER RATE CASE

Docket No. 12-2443-01

Motion for Amendment of Pending  
Settlement Stipulation and Amendment

On November 25, 2014, WaterPro Inc. (“WaterPro” or “the Company”) and the Division of Public Utilities (“Division”) (jointly “the Parties”) filed a Settlement Stipulation (“Stipulation”) in the above referenced docket to change the filing date for the tariff. The Parties move to amend the Stipulation to reflect a change regarding the filing of the tariff and its availability to the public.

1. Paragraph 18 of the Settlement Stipulation states that, “The Parties agree that no later than December 1, 2014, WaterPro will file a current and correct tariff with the Commission, and WaterPro will make the same available at its office for public viewing.”

2. The tariff was not filed or made available by December 1, 2014, but instead, was filed and made available to the public on December 16, 2014.

3. The Parties wish to amended the date in Paragraph 18 from December 1, 2014 to December 16, 2014 such that paragraph 18 would read, “The Parties agree that no later than December 16, 2014, WaterPro will file a current and correct tariff with the Commission, and WaterPro will make the same available at its office for public viewing.”

4. Except as specified herein, the terms and conditions of the Stipulation remain unchanged.

5. This Amendment to the Stipulation may be executed by individual Parties through two separate, conformed copies, the aggregate of which will be considered as an integrated instrument.

DATED this \_\_\_\_\_ day of December, 2014.
