Dear Mrs. Butterfield,

Thank you for your signed filing. Regarding your Certificate of Service, I was notified by our attorney that it is still incomplete as filed. In order for it to be complete, it requires language as in the one appended to the order you should have received previously. I have attached the link to it from our website, below. Please refer to the end of the document, pages 26-28 to use as a template for your Certificate. Once we receive physical copies in our office of both your filing and completed Certificate of Service, and an electronic copy of your completed Certificate of Service, we will be able to process your filing, and it will be considered complete. Thank you for your attention to this matter.
