To: psc@utah.gov

Thank you for your time. Here are my letter and the attached spreadsheets and rate from the power company. Please note that all three tabs (at the bottom) on the spreadsheet have been used. My changes to the Division's spreadsheets are made in RED. This first tab is only one page of the file submitted by the Division. The second tab was sent to me by Mark Long on Wednesday to show me how he developed the 70% overage fee. Again, my comments are in RED. The third tab has my calculations.

Natalie Erickson
