DPU Replacement Exhibits 1 and 2

Exhibit 1 – DPUs 2nd Set of Data Requests to Bumblebee Water dated, November 20, 2013

Exhibit 2 – DPUs 3rd Set of Data Requests to Bumblebee Water dated, November 22, 2013

EXPLANATION:

I didn't file exhibits 1 and 2 correctly (the data requests). I printed them double sided, but copied and scanned (and filed) them single sided. Could you please check the originals and copies I filed? Please make replacement hard copies to file with the commission and e-file and serve properly scanned exhibits 1 and 2. I'll forward the data requests to you.

The two attachments are the correct exhibits 1 and 2.
