Hi Brooks.

I see that the Public Service Commission (PSC) was sent the email requesting that Ms. Gaufin is added to your witness list. I cannot add someone to your witness list, but it appears as though you informed the PSC.

Thanks, Mark

Mark,

Please see that Joyce Gaufin is added to my witness list.

Lisa and Joyce, let me know if you know of anyone else attending that might want to be called as a witness.

Thanks, Brooks

Subject: Upcoming rate case

Hi,

After our conversation, I asked the Commission if the hearing would be streamed live over the internet. They are making arrangements to do so now and will place the directions on their website under this docket. I also asked about having Joyce participate in the hearing on the first day and I was told that she cannot intervene at this point, but you could call her as a witness and have her participate that way. They told me to remind you that you need to inform the Commission of your witness list by this Friday.

Also, remind people of:

Individuals wishing to participate in the Public Witness Hearing by telephone should contact the Public Service Commission two days in advance by calling (801) 530-6716 or (toll-free) 1-866- PSC-UTAH (1-866-772-8824). Participants attending by telephone should then call the Public Service Commission at one of the numbers posted above five minutes prior to the hearing to ensure participation.

Thanks, Mark
