**Subject:      Petition to Intervene in Adjudicative Proceeding Docket No. 15-098-01, No. 14-098-01**

Commission Representative:

My name is E. Scott Savage. I am submitting this signed Petition for myself so that I can be granted intervener status for the pending rate increase case for Community Water Company - Docket No. 15-098-01, and the previous related Docket 14-098-01 (deemed incomplete) also for Community Water Company. I am the attorney and President of the Plat B & D Homeowners Association (HOA). The Plat B & D HOA has thirty individual users of Community Water Company and, in addition, the HOA irrigates the grass and other vegetation in Plat B & D with the water from Community Water Company. The Plat B & D HOA, therefore, has a significant interest in any new rates that are proposed for Community Water Company and in the repair, maintenance and improvements of the Community Water Company system. I am seeking intervener status so as to fulfill and honor my responsibilities as President to all members of the Plat B & D HOA.

At this time, the relief sought by intervening is to obtain access to the documents supporting the rate increase contained in the Dockets, to review these documents thoroughly and to conduct an independent analysis of the impacts to the Plat B & D HOA. After conducting this analysis, further efforts may be warranted including participating in the rate application proceedings.

In addition to petitioning for intervener status, I am also requesting access to the past two Annual

Reports and Gross Revenue Reports. These reports are crucial in understanding the financial condition of Community Water Company and how it relates to the proposed rate increase.

Also, intervener status is requested for Docket 14-098-01. Although that application was deemed incomplete, it serves as a basis of comparison to the subsequent rate application.

I have read Rule R746-100-16 governing use of confidential information and have completed and signed the Confidential Information Certificate for 15-098-01 and 14-098-01. These signed certificates are included in the mailing of this signed Petition to the Public Service Commission of Utah.

Please don=t hesitate to give me a call if you have any questions regarding this petition. I can be reached at 801-328-2200 or [ssavage@sywlaw.com](mailto:ssavage@sywlaw.com).

Respectfully

/s/ E. Scott Savage
