Re. White Hills Water Company (WHWC) system and water rights necessary to serve existing customers being transferred to Eagle Mountain City for the continued service of White Hills customers via Eagle Mountain City.

Commissioners:

Please be advised that the above referenced transition of assets and customers is to happen once your approval of this action is given.

All needed infrastructure and water rights to continue to service the White Hills customers are being conveyed to Eagle Mountain City as part of the transfer.

WHWC hereby surrender their respective Certificates of Public Convenience and Necessity ("CPCN") and request that the PSC cancel said CPCNs retroactively effective March 1, 2018.

The benefits of this transaction to the Eagle Mountain City and its residents, the former customers of the private water company, are, (1) is system that has received, as a precondition of the city being willing to accept the system, major needed and required upgrades; (2) management and control of the system by the municipality with representation from the community; and, (3) a compliant water system at the lowest possible cost to the consumer.

Attached to this submission are copies of the relevant transfer and conveyance documents which will accomplished transaction.

Please feel free to contact Jared Westhoff at (435) 313-6527 with any questions or request for any additional information or documentation.

Sincerely,

Jared Westhoff

Manager / Co Secretary
White Hills Water Company
