

- BEFORE THE PUBLIC SERVICE COMMISSION OF UTAH -

Proposed Rulemaking Concerning Utah Code Ann. §§ 54-17-901 to -909, Community Renewable Energy Act	<u>DOCKET NO. 19-R314-01</u>
	<u>NOTICE</u>

ISSUED: November 18, 2019

On April 23, 2019, the Public Service Commission of Utah (PSC) gave notice of a technical conference to be held in this docket on Thursday, November 21, 2019. Since we issued that notice, stakeholders have participated in ten informal meetings and have submitted a consensus rule draft, which we submitted for publication in the December 1, 2019 Utah State Bulletin.

We anticipate that the technical conference will be an opportunity for informal questions and discussion about the rules that have been submitted for publication, and do not expect any participant to prepare a presentation. If someone has specific questions about the current rule draft, it would expedite the technical conference if those questions are filed with the PSC in advance so that they can be published to this docket before the technical conference begins.

DATED at Salt Lake City, Utah, November 18, 2019.

/s/ Gary L. Widerburg
PSC Secretary
