Date: June 8, 2020

Re: **Docket No. 20-R008-01**, Calculation and Application of UUSF Surcharge.

A revised Utah Universal Service Fund surcharge rate based on a per access line or per connection surcharge rate is proposed by the Utah Public Service Commission by amendment of Rule R746-8-301. To view the proposed rule amendment, see the PSC web site:

<https://psc.utah.gov/2020/04/30/docket-no-20-r008-01/>

The proposed surcharge shall be assessed at \$0.54 per month per access line or connection. The surcharge will be collected by each provider that provides access lines or connections. Pending any contrary comments, the Commission determined that the new rate will go into effect **July 8, 2020**.

This memo will serve as a **preliminary notification** of the change in surcharge rate subject to the comment period established by the Utah Public Service Commission until June 15, 2020. Comments to the Utah Public Service Commission may be submitted by emailing psc@utah.gov.

The updated forms for the submission of the Utah Universal Service Fund Surcharge Remittal Statement are found on the Utah Division of Public Utilities web site at:
