Hi everyone,

I hope that you're all doing well. I am writing regarding the PSC's upcoming Technical Conference scheduled in Docket 21-R008-04, Request for Rulemaking Regarding Utah Universal Service Fund, for Monday, September 13, at 10 AM. We had planned to host the technical conference in person, but a construction project in our building has disrupted audio conferencing equipment and made it difficult, or potentially impossible, to host a meeting with some participants in person and others participating virtually.

Due to that difficulty, we propose to shift the technical conference to a virtual, online-only technical conference occurring at the same date and time as was previously scheduled. Does any party have any objection to proceeding that way? If so, please respond with your objection via email to [sjohnston@utah.gov](mailto:sjohnston@utah.gov).

We appreciate your cooperation.

Best,

Sam Johnston  
Executive Staff Director  
Public Service Commission of Utah
