Subject: Re: FW: Docket No. 23-R008-01, Notice of Proposed Rule Amendment

Hi Jake,

As of October 15, 2023, the proposed rule amendment had been published (see <https://psc.utah.gov/2023/09/20/docket-no-23-r008-01/>). And as stated in Section 4 of the Notice of Proposed Rule Amendment filing, "[u]nless public comment, or the results of the PSC proceedings to finalize CY2024 UUSF distributions, convinces the PSC to alter its plans, the PSC anticipates making this rule amendment effective on December 29, 2023."

Thanks,

John Delaney

John,

I couldn't see where this was finalized on the Public Service Commission Website. I just want to confirm that the correct UUSF surcharge is \$0.71 per access line beginning 1-1-2024. Is that the correct surcharge?

Thanks,

Jake Frandsen
