Subject: Re: UUSF surcharge increase

Mr. Anguiano,

Thank you for your email. The Commission cannot make a final determination before the close of the public comment period, but unless something unexpected occurs during that period the C
intends to make a final determination shortly thereafter, according to what is proposed in the published rule amendment, with the effective date as has been explained.

Thank you,

John Delaney

Please let me know as soon as you can so that we can properly comply with any potential change.

Thank you,

Carlos Anguiano
