At the scheduling conference the Public Service Commission (PSC) held on January 4, 2024, the parties in attendance agreed to a schedule, outlined below, which the PSC approves and adopts. During the conference, Rocky Mountain Power (RMP) requested additional information concerning the PSC's expectations for the technical conference and, specifically, what topics, if any, RMP should come to the technical conference prepared to discuss. Accordingly, consistent with the parties' stipulation, the schedule shall be as follows.
