Ref: Docket No. 00-035-T01. Annual Report of Blue Sky Program

The Order in Docket No. 00-035-T01 directed the Company to provide an annual report of the Blue Sky program. In compliance with this Order, on December 31, 2008, the Company filed with the Commission its Annual Report of the Blue Sky Program covering the period from September 2006 through August 2007. On November 19, 2007, the Commission issued an Action Request to the Division requesting a response by January 7, 2008. The Division reviewed the report and asked the Company for a meeting with the Division and other interested parties to address some issues raised by the Division and other parties. The meeting has been delayed because of the holidays. The meeting has been scheduled for the week of January 14, 2007. Consequently, the Division is requesting the Commission to extend the due date of the Division response to its Action Request to January 24, 2008 so that the Division can complete its analysis and report.
