RE: Docket 00-035-T01  
Annual Report of Blue Sky Program

Enclosed for filing are an original and five (5) copies of Rocky Mountain Power's Annual Report of the Blue Sky Program ("Report") for the period January 1, 2007 through December 31, 2007. Rocky Mountain Power (the "Company") will also provide an electronic version of this filing to [mlivingston@utah.gov](mailto:mlivingston@utah.gov).

It should be noted that prior to the creation of the regulatory liability accounts in August 2007 for all six of PacifiCorp's jurisdictions, Blue Sky funds were accounted for in one account. Therefore, for this reporting period, Utah "Beginning Available Fund Balance Information" as requested by the Division of Public Utilities and ordered by the Commission in its March 21, 2008 Report and Order, is not available. The Company will be able to provide the state-specific information in subsequent annual reports. In addition, information on the status of the \$900,000 contract for the future purchase of RECs is provided as Confidential Attachment A. Also attached are copies of three direct communications pieces that were provided to Utah Blue Sky participants during 2007.

It is respectfully requested that all formal correspondence and Staff requests regarding this filing be addressed to:
