Ref: Docket No. 00-035-T01, Rocky Mountain Power's Annual Report of the Blue Sky Program for the Period January 1, 2008 through December 31, 2008.

RECOMMENDATION

The Division of Public Utilities ("Division") requests that the Public Service Commission ("Commission") extend the June 15, 2009 comment deadline for the review of Rocky Mountain Power's Annual Report of the Blue Sky Program for the Period January 1, 2008 through December 31, 2008. The Division is currently completing an audit of the Blue Sky Program and anticipates that audit results should be available by the week of June 29, 2009. The Division argues that these results are relevant to the Division's investigation of this docket and should be incorporated into its analysis. The Division therefore requests that the Commission extend the comment deadline to accommodate inclusion of the forthcoming Blue Sky Program audit results.
