

UTAH POWER & LIGHT COMPANY
ELECTRIC SERVICE REGULATION NO. 8

STATE OF UTAH

Billings

1. BILLING

Except where specifically stated, all electric service schedules contained in the Company's tariff set forth the rate for one (1) billing month. However, local conditions, initial billings, final billings and seasonal readings may cause billings on irregular intervals, in which case the bill will be appropriately adjusted. Except as specifically provided otherwise, the Company's rates are based on continuing service at each service location and the bill for electric service shall be calculated separately for each meter.

2. NON-RESIDENTIAL ESTIMATED BILLING

When any local condition makes it impractical to read meters at regular intervals, the Company may, at its option, read such meters at irregular intervals but not less frequently than once every twelve (12) months. Under such conditions, bills for electric service will be rendered for either the Minimum Monthly Charge set forth in the schedule or for amounts based on the Company's estimate of the Customer's use during the month. When an actual meter reading is obtained, the Company may adjust each estimated billing which has occurred since the last Company meter reading was obtained.

3. RESIDENTIAL ESTIMATED BILLING

Bills will be rendered regularly at monthly or bimonthly intervals to permanent continuous non-seasonal customers. The Company at its option may use an estimated billing procedure. If a meter reader is unable to gain access to a meter for the purpose of making an actual reading, the Company shall take appropriate additional measures in an effort to obtain an actual meter reading. These measures shall include, but are not limited to, scheduling of
