BEFORE THE PUBLIC SERVICE COMMISSION OF UTAH

In the Matter of the Application of PacifiCorp for an Increase in its Rates and Charges	Docket No. 01-035-01 PETITION FOR INTERVENTION OF STANLEY C. HARBUCK
---	--

Pursuant to Utah Code Ann. § 63-46b-9 and Utah Admin. Code R. 746-100-7, Stanley C. Harbuck (“Harbuck”), pro se, respectfully submits this Petition for Intervention to the Public Service Commission of Utah (the “Commission”), for leave to intervene in the above captioned matter, and, in support thereof, states as follows:

1. Harbuck is a ratepayer for electric utilities provided by PacifiCorp to the address listed above.
2. Harbuck has served as a representative of small ratepayers in the past before the Commission and, as such, served in the public interest and has been of particular assistance to the Commission in rendering informed decisions on the issues that were raised.
3. Harbuck’s legal rights or interests are substantially affected by the above captioned formal adjudicative proceeding.
4. Harbuck has not impaired the interest of justice and the orderly and prompt conduct of previous adjudicative proceedings of the Commission when serving as an intervenor.
5. Harbuck agrees to not materially impair the interest of justice and the orderly and prompt conduct of the above captioned adjudicative proceeding of the Commission when serving as an intervenor in this case.
6. Harbuck requests relief including being allowed to serve as an intervenor, and, as such, to act as a party to this case.
7. Accordingly, Harbuck possesses a direct and substantial interest in the subject matter of this case, and seeks via this intervention petition to protect that interest as it may appear. Participation in this docket will be in the public interest and may also be of particular assistance to the Commission in rendering informed decisions on the issues that will likely be raised.
8. Timely intervention by Harbuck will not delay the proceeding or unduly burden the other parties in the proceeding.

9. Harbuck's intervention will not prejudice any party nor will intervention in this proceeding unduly broaden its nature or scope.
10. Specific concerns that Harbuck has with this rate proceeding include, but are not limited to: 1) a determination that all contracts have been established with the usual contractual concerns (e.g. they involve arms-length agreements); 2) a determination that the market prices claimed are in fact representative of the existing markets; 3) cross-examination of PacifiCorp expert witnesses on the above, and potentially other specific issues related to the proceeding that are expected to go beyond the cross-examination by other parties in the proceeding. Harbuck expects that virtually none of Harbuck's involvement in the proceeding will be duplicative of the involvement by other parties in the proceeding.
11. If intervention is granted, Harbuck requests that all pleadings, correspondence, discovery, and other documents be served on:

Stanley C. Harbuck
1877 S. 2600 E.

Telephone: (801) 486-2363

NOW THEREFORE, Harbuck respectfully requests that the Commission issue an Order authorizing Harbuck to intervene and fully participate in the above captioned proceeding.

DATED this 15th day of June, 2001.

Stanley C. Harbuck, Pro Se
