OBJECTION TO THE UTAH  
COMMITTEE OF CONSUMER

HEARING RESPONSE AND  
RESPONSE**

**Docket No. 02-035-04**

---

The UAE Intervention Group ("UAE") files this response and objection to the post-hearing petition ("Petition") filed by the Committee of Consumer Services ("Committee") in this docket relating to potential impacts of the MSP Revised Protocol on intra-state class allocations. UAE disagrees with some of the statements and positions advanced by the Committee in its Petition. However, UAE agrees with PacifiCorp that the issues raised by the Committee's Petition have not been analyzed or addressed on the record in this docket and thus cannot properly be addressed or resolved in the Commission's Order.

UAE objects to the Committee's request that the Commission's Order in this docket address any issues relating to intrastate allocations. Such issues can properly be addressed only on the basis of a proper record, which clearly does not exist in this docket.
