

**ELECTRIC SERVICE SCHEDULE NO. 38 - Continued****II. Process for Negotiating Interconnection Agreements (continued)**

Because of functional separation requirements mandated by the Federal Energy Regulatory Commission, interconnection and power purchase agreements are handled by different functions within the Company. Interconnection agreements (both transmission and distribution level voltages) are handled by the Company's power delivery function.

**A. Communications**

Initial communications regarding interconnection agreements should be directed to the Company in writing as follows:

Utah Power & Light Company  
Manager-QF Contracts  
825 NE Multnomah St, Suite 600  
Portland, Oregon 97232

Based on the project size and other characteristics, the Company will direct the QF owner to the appropriate individual within the Company's power delivery function that will be responsible for negotiating the interconnection agreement with the QF owner. Thereafter, the QF owner should direct all communications regarding interconnection agreements to the designated individual, with a copy of any written communications to the address set forth above.

**B. Procedures**

The Company will follow the procedures for generation interconnection described in Part IV of the Company's Open Access Transmission Tariff (Tariff) on file with the Federal Regulatory Commission. A copy of the Tariff is available on-line at <http://www.oasis.pacificorp.com>
