

Southwest Energy Efficiency Project

Saving Money and Reducing Pollution through Energy Conservation

April 18, 2003

Ms. Julie Orchard
Commission Secretary
Utah Public Service Commission
Heber M. Wells Building, 4th floor
160 East 300 South
Salt Lake City, UT 84111

Dear Ms. Orchard,

The Southwest Energy Efficiency Project (SWEEP) is a non-profit public interest organization promoting greater energy efficiency in six states including Utah. We have been a member of the Demand Side Management Advisory Group operating in the state. I am writing to request that SWEEP be granted intervenor status in the docket concerning Demand Side Management Cost Recovery by PacifiCorp, Docket No. 02-035-T12. All correspondence in this docket should be directed to me.

Thank you for your attention.

Sincerely,

Howard Geller
Executive Director
