RE: Docket No.02-035-T12, DSM Cost Recovery and Self-Direction issues

Dear Mr. D. Douglas Larson

The Commission has reviewed the material submitted to aid in the approval of Schedules 192 and 193.

In its most recent memorandum, dated March 11, 2004, the Division of Public Utilities has provided information concerning the parties efforts and agreement on these proposed tariff filings and their approval. Now therefore, the proposed Schedules, transmitted under your cover letter dated January 22, 2004, are hereby approved by the Commission and may be implemented on the proposed effective date of April 1, 2004

Sincerely,

/s/ Julie Orchard  
Commission Secretary
