DOCKET NO. 03-035-01  
ORDER ON PETITION TO  
INTERVENE AND ORDER  
DESIGNATING PROCEEDINGS  
AS INFORMAL

-----

ISSUED: February 12, 2003

By The Commission:

On January 10, 2003, Light and Truth petitioned for leave to intervene in this docket. Light and Truth stated it sought intervention to participate in matters dealing with Utah Power and Light Company's HELP Program. Light and Truth's Petition for Leave to Intervene is denied.

The Commission designates this docket as an informal proceeding. Intervention is not needed for Light and Truth to participate. As described in Truth and Light's petition, it has participated in prior efforts associated with the creation of the HELP program and its continued development. Other participants should continue to include Light and Truth in their correspondence, exchange of information, meetings, etc., to the extent of Light and Truth's expressed interest for participation in the HELP program's analysis and development. This includes any participation in this docket concerning the Division's evaluation of the HELP program.

Dated at Salt Lake City, Utah, this 12<sup>th</sup> day of February, 2003.
