Re: Dammeron Valley Water Works v. Utah Power & Light: Docket No. 03-035-04

Dear Commissioners:

Pursuant to the Commission's Report and Order issued in this docket on October 22, 2003, attached please find Utah Power & Light Company's final summary report and recommendations resulting from the power-quality monitoring that has been performed at Dammeron Valley over the course of this proceeding. Also attached is the last of three interim reports on power quality—in this case covering the monitoring period of July 6, 2004 through August 31, 2004 at Dammeron Valley and June 28, 2004 through August 31, 2004 at Feller Stone Company

I certify that on today's date this letter and the attached documents were served by electronic mail on the recipients identified below. Please contact me if you have any questions.

Sincerely,

David L. Elmont
